

KOOKABURRA MID BUCKS CRICKET LEAGUE.

NEWSLETTER 135

November 2011.

THE ANNUAL GENERAL MEETING OF THE LEAGUE is on Wednesday, December 7th, 8.00 at Magnolia Park.

SORRY, I missed the November 1st deadline for your notes about the AGM. Rule 6 f. However, there is still time to read them before December 7th. This is not a good start on my part, perhaps I should be fined..

There are some important things that all Clubs should note:-.

Any Club not represented at the AGM will be fined, apologies not accepted in lieu.

Bring your ball order form with you. If you do not submit a form then you will have to accept, and pay for, the number of cricket balls that you ordered last year, whether you want them or not.

Take home your Clubs list of signed on players and update them BEFORE the start of the season. If you, the Secretary, do not attend the meeting, please make sure that you get all the paperwork from the meeting.

Take home the paper which your Club will fill in before the start of the season, giving secretary, Captains etc, all with addresses, and telephone numbers. We can no longer run this League with names from 2009 and earlier.

Make sure that you give the Secretary the dates that your ground will not be available for play due to the fete, flower show, whatever. If you have two teams in the League you will still have to make arrangements to play one of the teams on a borrowed ground. You can only have one away game each week, regardless of what division your teams are in.

The Management Committee are still short of members, so please persuade others to join the few, and help out with the running of the League. You all enjoy the cricket, you all get your fixtures, results and League tables provided, now is the time for some more of you to help out. It is also time for every Club to provide better Club administration. Last season was particularly bad, and a few Clubs have made the running of the League unnecessarily difficult. I do apologise to those Clubs who make life easy for us, but to the others, well.....

The Management Committee look forward to seeing you all at the AGM on Wednesday, December 7th, 8.00 at Magnolia Park.
